

M I L L B A N K | F X

Supporting your overseas property purchases and international transfers with secure, efficient FX solutions.

Why 360 Lifecycle Clients choose Millbank FX

✓ FCA Authorised

Millbank FX is authorised and supervised by the Financial Conduct Authority

✓ Fast, Secure International Payments

Send and receive money worldwide with clear tracking and fast, often same or next-day settlements.

✓ Straightforward, Secure Online On-boarding

Open an account in minutes through a simple, secure application.

✓ Dedicated FX Specialist Support

Every client gets direct access to a senior FX dealer by phone, WhatsApp or email.

✓ Trusted Provider for Global Payments & FX

Secure international payments, competitive rates, tailored support, and full compliance for confident large transactions

✓ Competitive, Transparent FX Pricing

Clear, upfront pricing with no monthly account fees or hidden charges.

Clients moving money internationally often face avoidable challenges.

Millbank FX provides a reliable, transparent service that helps individuals move funds securely and efficiently, with direct support at every step.

Ideal for 360 Lifecycle clients who are

- Buying or selling property overseas
- Relocating abroad
- Supporting family with international transfers
- Receiving income from overseas
- Managing ongoing global expenses

How it works

1. Register securely online
2. Meet your dedicated FX specialist
3. Agree your rate and complete your transfer
4. Receive payment confirmation as soon as funds are sent
